What we offer for free:

- **Aural lessons** for external exams
- **Accompaniments:** 90 % of accompaniments are offered for free. Where pupils play very advanced repertoire (that our full time staff do not have time to do justice), we offer a specialist accompanist. A fee will be negotiated, depending on each situation.
- **Ensembles:** Membership of each ensemble offers valuable learning opportunities. The level of coaching in our ensembles is exceptional.

We work on 2 semesters a year:

- January to June: 15 weeks of lessons
- July to December: 14 weeks of lessons

This takes into account public holidays, special school days (Slog, Celebration, and Founders' Day etc.), written and practical exams when we cannot teach.

Discontinuing lessons:

We require **1 term's notice in writing** if you wish to discontinue music lessons. Notice must be given to bp@westerford.co.za Please copy in the financial office juh@westerford.co.za

Absence from lessons:

Pupils must please **inform part time teachers** ASAP if they cannot attend a lesson. The internationally accepted notice period is 24 hours. Repeat offenders will be put in detention and parents billed an additional amount, as lessons are highly subsidized and part time teachers are paid if insufficient notice is given.
